After spending New Year's vacationing in Hawaii, Michelle Williams and daughter Matilda Rose made a stop in Los Angeles, spending time with the 4-year-old's godmother, *Cougar Town* star Busy Philipps, and her daughter Birdie Leigh, 16 months.

The former *Dawson's Creek* costars took their daughters to Griffith Park for a playdate and pony rides, but left time for some girl talk as well — the actresses were also spotted grabbing Starbucks and shopping solo in Pasadena, Calif. earlier in the week!

Matilda is Michelle's daughter with the late Heath Ledger, while Birdie is Busy's daughter with husband Marc Silverstein.

Wearing her favorite tan Minnetonka **Back Zip boots**, Matilda Ledger and her mom Michelle Williams visit with friends in LA earlier this month.
